

Finding the right PKD doctor

What to look for...

- ✓ **Knowledgeable about PKD**
You feel confident about your treatment plan.
- ✓ **Appointments don't feel rushed**
Your doctor takes time to answer your questions.
- ✓ **Friendly**
First impressions are important! You feel welcome.
- ✓ **Approachable**
You feel comfortable asking questions.
- ✓ **Attentive**
Your doctor listens.
- ✓ **Available**
You understand how to contact your doctor or nurse with questions.
- ✓ **Partners with you**
You feel confident advocating for yourself and that you're a part of your health care team.
- ✓ **Research and clinical trials**
Your doctor is familiar with current research and clinical trials.
- ✓ **Personable and professional office staff**
When you contact the office, are they helpful and courteous?
